

Magee's Exclusive "Condo-In-Your-Home" Property Maintenance Plan

- Customers may begin services on a Monday of any week of the year.
- Service contracts run for 52 consecutive weeks.
- Your property will be assigned a weekly lawn cut day each and every week.

(In the event of in-climate weather, your property will be serviced the next available weather-permitting day.)

Magee will perform the following landscaping / property maintenance services:

- Spring property cleanup will be completed by April 20th, each year.
(Includes top soil and seeding touch-ups from snow removal driveway overruns.)
- Weekly spring, summer, & fall cutting / mowing of all grass on property. (No date restrictions apply)
(Includes string trimming, grass bagging if and only as needed, and blowing of all paved walks and driveways free of any grass and yard clippings.)
- Fall property cleanup will be completed by November 20th, each year.
(Includes leaves being deposited at property curbside.)
- Bi-Annual hedge and shrub trimming maintenance.
- Annual gutter cleaning and gutter "tune-up."
- Complete, unlimited winter snow removal. (No date restrictions apply)
(Includes property driveway, front walk & stoop, public sidewalk if applicable.)
- A complete full line of landscaping services including bed weeding, mulching, planting, stone scaping, paver installations, etc. are also available.
